Royal Arsenal Gatehouse,  
Woolwich,  
London SE18 6AR  
(Situated between Beresford Square and the Royal Arsenal)

Our objective is to voice the plight of Palestine and campaign to raise awareness of the continued struggle of the West Bank and Gaza under siege. We call upon governing bodies, to recognise the legal rights of Palestinians to exist and resist this illegal and horrendous occupation and displacement of its people.

We oppose any form of discrimination, this includes both Islamophobia and anti-semitism. Criticism of Israel does not equate to anti-semitism
